Superior UX with a 4mm Ultra-Narrow Bezel, 400 nits oTP Display, and More.

The GT-7000 Series POS terminal combines a sleek design with powerful performance. Its ultra-slim, fan-free design features a vibrant multi-touch display with a 4mm ultra-narrow bezel*, featuring an on-cell touch panel with a brightness of 400 nits. The Ideal POS terminal for any commercial space, enhancing efficiency and style.

4mm

4mm Ultra-Narrow Bezel for Maximum Display Area

The GT-7000 Series POS terminal boasts an ultra-narrow bezel, just 4mm* in thickness. This sleek design maximizes the display area without expanding the device's overall size, providing users with a larger screen for interacting with content and delivering a more immersive experience.

*Only 15.6-inch support 4mm ultra-narrow bezel

400 Nits On-Cell Touch Panel for Superior Visuals

Featuring an on-cell touch panel with a brightness of 400 nits, the GT-7000 Series POS terminal offers high transparency and improved optical performance. This enhances visual clarity, reduces parallax, and delivers a smoother user experience.

Extended I/O Expansion

The GT-7000 Series POS Terminal provides versatile expansion options tailored to your application needs, supporting additional USB, PoweredUSB, and RJ50 ports.

Enhanced Efficiency and Durability for Long-Lasting Reliability

The GT-7000 Series, equipped with Intel's 11th Gen Tiger Lake processor, delivers outstanding performance to handle demanding tasks with ease. Its IP-65 certified front panel ensures water and dust resistance, while the fan-free design enables silent operation, minimizes the risk of mechanical failure, and provides reliable, uninterrupted performance.

Dual-Sided Attachments for Enhanced Versatility

Support attachments on both the left and right sides, offering greater flexibility and a more comprehensive range of options. This expanded support not only accommodates additional attachments but also allows for use by both left- and right-handed users, providing flexible installation to meet diverse needs.
